**Topic: Vive Les Arts Theatre - For the past 45 years, Central Texas Theatre has been producing quality shows and helping actors make their dreams come true. Just last season, in the midst of extremely trying times for all of us, the theatre showcased a total of eight plays with huge success. This year, our plans and dreams have grown. The cast and crew of the shows work diligently to help bring each story on our stage to life! Get lost in the world of a brilliant musical, enjoy a night out with the whole family and interact with our talented actors and actresses to have an unforgettable experience. We so desperately want to show you and Central Texas the product of our hard work, but we need your help.**
